

SARAH DANIELS

ABOUT THE CREATOR

Sarah Daniels is a dynamic video game streamer and host who focuses on building an inviting and positive community that viewers want to come back to seven days a week. Prior to streaming, Sarah was a Disney Princess for nearly 12 years and has had an extensive performance career, dating back to her first modeling job at age six. She has most recently been seen on stage around the country as well as in Toronto starring in productions of Grease, The Little Mermaid, Hairspray, and Mamma Mia. Sarah has raised over \$30,000 for various charities over her 5 years of streaming. You will most often find her playing JRPGs, single player story games, comfy games, or one of her favorite Zelda or Final Fantasy games.
